

To Whom It May Concern:

As a resident of Itawamba County, I hope that Memphis stations will be available to us again. The following stations were once available to us on cable, but have been removed, even though most subscribers objected to the removal.

WREG-TV, 3, Memphis, TN (formerly WREC)
WMC-TV, 5, Memphis, TN (still available on Comcast)
WHBQ-TV, 13, Memphis, TN
WPTY-TV, 24, Memphis, TN

Please allow DirecTV and Dish Network to offer these stations to the residents of our county, even though Comcast chooses not to carry them.

Regards,

Nathan Coleman
